

Press Release: Baltimore Area January 2013

Palumbo Insurance Associates is proud to announce and welcome our newest Account Executive, Elio Scaccio, to the PIA team! Elio brings with him over 10 years of experience in the insurance industry, combining personal, commercial, life, and supplemental health insurance into a well-rounded and knowledgeable agent that is focused on client relationships and maintaining strong personal contact. In addition, “Elio brings sales and management experience from other industries that we are excited to have as part of our family business here at Palumbo Insurance Associates” states Tony Palumbo, Founder and President of Palumbo Insurance Associates. With a strong tie to the Italian-American community, and many charitable organizations across the Baltimore/Harford County areas, he is active in this community and has a deep rooted sense of family and building lasting business relationships. “Adding someone with Elio’s talent and experience to our agency is very exciting and critical to our continued growth not only in the Baltimore/Bel Air region but throughout the mid-Atlantic Region as well”, stated Tony Palumbo.

An additional exciting aspect that is unique to Elio’s persona is that he is a gifted classical/jazz vocalist, performing in and around the Baltimore/Harford county areas, and across the country to thousands of people. His individual blend of Italian classics, jazz standards, and original music has gained him much notoriety. He released his debut CD, “Lettere D’Amore”, in late 2010, and is on the verge of releasing his follow up CD, “Somewhere”, in early 2013! “Being a small and growing business an addition such as Elio, with his broad insurance experience, as well as a large fan base is definitely a boost for us! We are excited to have Elio as part of our family, and look forward to having him assist us in our growth as well as our efforts to give back to our community”, stated Tony Palumbo.
